

INVEST
in the *Next Generation*

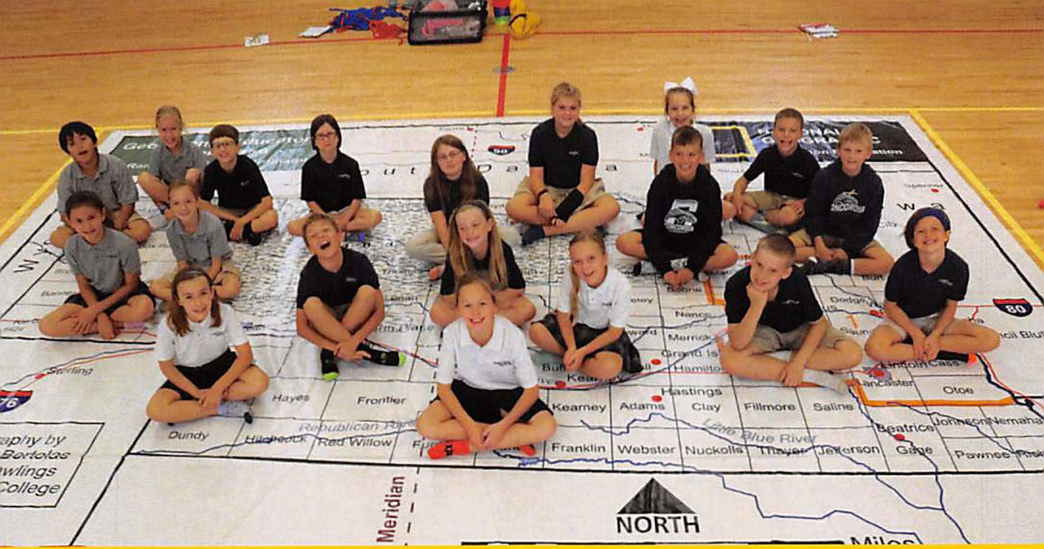

CONCORDIA OMAHA FUND

The community and congregational leaders of *tomorrow* depend on us to prepare them *today*.

At Concordia Lutheran Schools of Omaha, students and families are wrapped in a support system unlike any other. Students receive a gospel-infused education from teachers who are trained to support them in their academics and faith development. Students have regular opportunities for service that help them develop leadership skills. And, families are invited into a community that welcomes and empowers them to live faith-centered lives!

We invite you to invest in the next generation by giving to the Concordia Omaha Fund!

The Concordia Omaha Fund helps to cover annual expenses such as need-based scholarships, enhanced academic programs, fine arts and athletics. Your ongoing financial contribution to this fund makes an immediate impact—where the funding is most needed!
